## rediscovered pleasures

The collection comprises five colors in a variety of sizes, also in structured outdoor version, except for the 45x45 cm size. The patterning is lavish in every detail, while the soft-touch surface has a pleasant 'feel'.

The wall tiles in 30x90 cm size offer a simplified color assortment of 4 shades – Bianco, Beige, Taupe and Grigio – to provide perfect matching with the range's floor tiles and with the tone-on-tone material-effect decors. The wall covering options also include the 3D Saw Structure, extremely tactile and with edges finished to make joints imperceptible, and the Forest Decor, created with the Touch technology, with a pattern inspired by lush vegetation that enables attractive continuity of decoration.
